### **Notice regarding the Listing Approval of SBI Sumishin Net Bank, Ltd**

Please be informed that Sumitomo Mitsui Trust Bank, Limited (President: Kazuya Oyama, hereinafter “SuMi TRUST Bank”), a subsidiary of Sumitomo Mitsui Trust Holdings, Inc. (Director, President: Toru Takakura, hereinafter “SuMi TRUST Holdings”) announced today the attached press release.

#### **1. Positioning of SBI Sumishin Net bank, Ltd. within the SuMi TRUST Holdings Group**

SBI Sumishin Net Bank, Ltd. (President & CEO: Noriaki Maruyama, hereinafter “SSNB”), which obtained its banking license and started operations in 2007, is a leading internet bank in Japan and has been expanding its customer base, especially among retail customers, by providing highly convenient financial services through the Internet. In addition, SSNB is currently building a new business model, by promoting its NEOBANK business which provides BaaS (Banking as a Service) services to partner companies. SSNB has become one of SuMi TRUST Holdings Group’s (hereinafter “SuMi TRUST Group”) important Internet channels through which SSNB markets SuMi TRUST Bank’s mortgage loans as a banking services agent.

After SSNB is listed, SuMi TRUST Bank expects to continue to promote further collaborations with SSNB as one of its strategic partners in the BaaS business.

#### **2. Policy on listing of group companies**

SuMi TRUST Holdings makes decisions regarding the listing of group companies after carefully considering several factors, including its ownership ratio after listing, the significance of listing based on the business characteristics of the listing company, potential company growth due to listing and whether there is an adequate internal control system as a listed company.

As SSNB will continue to be an affiliated company of SuMi TRUST Holdings, there is a risk of conflict of interest between SuMi TRUST Group and SSNB’s general shareholders. However, we believe that SSNB’s current corporate governance structure, including the appointment of four independent outside directors, will help ensure that SSNB operates with independence following its listing.

#### **3. Share ownership after the listing**

After listing, SuMi TRUST Bank’s ownership ratio of SSNB will be 36.25% (excluding the disposal by way of over-allotment) / 34.19% (in the case where disposal is carried out with the maximum number of shares). SuMi TRUST Group will make post-listing ownership ratio decisions based on the ongoing business relationship between SuMi TRUST Group and SSNB.

#### **4. Impact on results of business operations**

The proceeds from the offering in connection with 3 above will have no effect on the earnings forecasts for fiscal year ending March 31, 2023 of SuMi TRUST Holdings.
